Broken Appointment Policy

Reserved appointment time at any office is limited and valuable. It is extremely important that all patients honor their reserved dental appointments. Failure to do so deprives our other patients from receiving needed dental care in a timely fashion.

We now require **24 HOURS NOTICE** for any Cancelled, Rescheduled, or Broken appointments. Failure to comply will result in a **\$100 BROKEN APPOINTMENT FEE.**

Please feel free to discuss this and other policies with our
Customer Service Staff.
